Timepieces of His Royal Highness Prince Wolfgang of Bavaria

Discover Bavaria in an exclusive and sophisticated manner and learn first-hand about the history of the timepieces of His Royal Highness, Prince Wolfgang of Bavaria.

The magnificent castles of Bavaria are the backdrop of this splendid voyage into the past. Unique pieces of art and a rich cultural heritage and local traditions await you.

1st day

You will be picked up by a chauffeur-driven luxury limousine at either Munich, Stuttgart or Frankfurt airport. Approaching Munich you will notice the manifold scenery idyllic lakes set amongst the hills of the Allgäu with mountains towering in the distance and the world-famous castles Neuschwanstein and Hohenschwangau. The manager of the Schlosshotel Liesl adjacent to the royal castles and over a hundred years old will welcome you personally. An individually tailored guided tour will take you through the castle of Hohenschwangau. The evening is reserved for a typical Bavarian meal served in the royal hunting parlour of the Schlosshotel Liesl. You can take part in a beer tasting, too; traditional Bavarian beers brewed in the royal brewery of Kaltenberg will be available. You will then retire to the royal suite of the beautiful hunting lodge in full view of both royal castles.

2nd day

You will start the new day with a sumptuous buffet breakfast, followed by a drive in the royal horse-drawn coach that will take you from Hohenschwangau to Austrian Tyrolia. Enjoy the magnificent countryside and follow in the historical footsteps of King Ludwig II. His life is legend, his fantastic castles immortalized him after his mysterious death. The afternoon will be spent on a private guided tour through the fairytale castle of Neuschwanstein. Dinner consists of a delicious, historical 7-course menu based on original recipes from the kitchen of the castle Hohenschwangau. Enjoy this culinary voyage through time in the restaurant of the Wittelsbach family and in full view of both royal castles!

3rd day

After breakfast you will visit the famous castle of Nymphenburg. The nearby Porcelain Manufacturer Nymphenburg handcrafts exclusive dinner sets, accessories, figurines and majolicas and you will learn about the outstanding quality of their products during a guided tour of their premises. Following this tour his Royal Highness, Prince Wolfgang of Bavaria will personally hand over your timepiece to you during a private audience.
